

INTERNATIONAL, NATIONAL AND LOCAL RESEARCH PRESENTATION

CCS Research Presentation has a total of 39 International Presentation and 7National Presentation from the year 2019- 2023.

COMPUTER STUDIES PRESENTATION	2019	2020	2021	2022	2023	TOTAL
International Presentation	6	2	4	6	21	39
National Presentation	2	-	4	-	1	7

INTERNATIONAL PRESENTATION

Authors/Title	Conference	Sponsoring Agency/ies	Date/Venue	Classification
Questrion: Online Freelancing Portal Using Hybrid Matching Algorithm Sharlyn Rancap Renz Joseph Roxas Mark Jeanson Pelaez Archieval M. Jain	2nd International Conference on Information technology and Mechatronics Engineering 2023 (ICITME 2023)	Pangasinan State University Linagyen Campus	December 9-11, 2023	International
COCODY: Identifying Coconut Disease and Pest Infestation using CNN Algorithm with Simulation Kevin Francis Esguerra Regine Rosal Mae Isabelle Coronacion Zerah-Jane Astoveza	2nd International Conference on Information technology and Mechatronics Engineering 2023 (ICITME 2023)	Pangasinan State University Linagyen Campus	December 9-11, 2023	International
CS LIFE: A GAME-BASED APPROACH ON LEARNING PSEUDOCODE WITH NAIVE BAYES ALGORITHM Renzo Jay B. Lescano Matt Alvin A. Rapirap Jonh Evenezer Tonga Zerah-Jane M. Astoveza	2nd International Conference on Information technology and Mechatronics Engineering 2023 (ICITME 2023)	Pangasinan State University Linagyen Campus	December 9-11, 2023	International
Developing an Animated Aide Tool for Autism Spectrum Disorder (ASD) Justine Del Rosario Kate Ronie-Lie Flaviano Jude Ryan Villanueva Mervin Jommel T. De Jesus	2nd International Conference on Information technology and Mechatronics Engineering 2023 (ICITME 2023)	Pangasinan State University Linagyen Campus	December 9-11, 2023	International
Analyzing Job Advertisements in the Philippines using Natural Language Processing Techniques Mervin Jommel T. De Jesus	2nd International Conference on Information technology and Mechatronics Engineering 2023 (ICITME 2023)	Pangasinan State University Linagyen Campus	December 9-11, 2023	International
Information Technology Education Teachers And Students Practices On The Uses Of ChatGPT: Basis For Policy Formulation Francis F Balahadia	2nd International Conference on Information technology and Mechatronics Engineering 2023 (ICITME	Pangasinan State University Linagyen Campus	December 9-11, 2023	International

	2023)			
Self-Paced Learning Material Assessment Tool with Text Mining: A Framework Development Francis F Balahadia Aira Merin Dale Bermundo Janiza Alvaro	2nd International Conference on Information technology and Mechatronics Engineering 2023 (ICITME 2023)	Pangasinan State University Linagyen Campus	December 9-11, 2023	International
Development of an Augmented Reality Framework for Corn Plant Disease Identification using CNN Algorithm Francis F Balahadia Ronnel Billones Deserie Valdez	2nd International Conference on Information technology and Mechatronics Engineering 2023 (ICITME 2023)	Pangasinan State University Linagyen Campus	December 9-11, 2023	International
Customer Support and Management System of Pasalubong Centers in 4th District of Laguna: Mobile Application Framework Development Niela Marie P. Hosmillo Nordick V. Ramos Apple Grace A. Sarte Francis F. Balahadia	5th International Conference on Automation, Mechatronics, and Robotics (ICAMEROB 2023)	Mechatronics, and Robotics Society of the Philippines	October 27-28, 2023	International
Developmental of two dimensional mobile assisted American sign language learning Symon Christopher A. Bolinas Elirose A. Dalit Alexa Mae O. Leynes Zerah-Jane M. Astoveza	5th International Conference on Automation, Mechatronics, and Robotics (ICAMEROB 2023)	Mechatronics, and Robotics Society of the Philippines	October 27-28, 2023	International
Development of Web and Mobile Emergency Update for Disaster Response of BFP using Geographic Information System Francis Balahadia Alezandra Jamilan Leiah Pleto, Kim Ashley Balitaon	International Research Conference on Information Technology Education 2023	PSite Central Luzon	May 5, 2023	International
ViaCrusis AR App: An Augmented Reality Application for the Fourteen Stations of the Cross of the Catholic Church Francis Balahadia Reggienal P. Villaraza Kerby F. Periño Joel Uriel Dave P. Diaz	International Research Conference on Information Technology Education 2023	PSite Central Luzon	May 5, 2023	International
Augmented Reality for House Material Estimation Using Room Measurement ORB-SLAM3 Algorithm Francis Balahadia Khian M. Cahigas Ruzzel Patrick S. Afuang	International Research Conference on Information Technology Education 2023	PSite Central Luzon	May 5, 2023	International
Famlife 3D: A 3D Role Playing Game For Motherhood Using Decision Tree Algorithm Zerah-Jane M. Astoveza Ma. Jamaira M. Redor Andrea G. Altez Giezelle Flores	International Research Conference on Information Technology Education 2023	PSite Central Luzon	May 5, 2023	International

ARecycle: A Mobile Application For Generating Value Added Products From Recyclable Plastic Bottles Using CNN the Algorithm Zerah-Jane M. Astoveza Kenny M. Cahigas Luisa Mae De Jesus	International Research Conference on Information Technology Education 2023	PSite Central Luzon	May 5, 2023	International
Alumni Tracer System with Geographic Information System (GIS) Archieval Jain, Glaizez Salisi, Sharmaine Lopez and Christine Joyce Balquiedra	International Research Conference on Information Technology Education 2023	PSite Central Luzon	May 5, 2023	International
E-AccessToAces: A Web-based Customer Support System of Team Aces Driving Academy - Famy, Laguna Branch Archieval M. Jain, Nathalyn Joize Bondad Carla Joy Sin Kia Mae Estalero	1st International Conference on Emerging Trends in Computing and Library Information Science	ISABELA STATE UNIVERSITY	May 26, 2023	International
ASK.KAP : A Virtual Barangay Front Desk Officer Shania T. Bueno, Jomari V. Carcamo, Sonnyboy D. Hiyas and Archieval M. Jain	1st International Conference on Emerging Trends in Computing and Library Information Science	ISABELA STATE UNIVERSITY	May 26, 2023	International
A Fruity and Veggies Learning Application for Kids Using Augmented Reality Zerah-Jane M. Astoveza Castillo, Jan Romen De Mesa, Patricia Rañada, Jonald Kesniel	1st International Conference on Emerging Trends in Computing and Library Information Science	ISABELA STATE UNIVERSITY	May 26, 2023	International
FSED-Assist Fire Safety Enforcement Division Application and Report Generation with Descriptive Analytics and Data Visualization Joy R. Adrias Louie Jerome L. Roldan Marc Renzo A. Bagabaldo	1st International Conference on Emerging Trends in Computing and Library Information Science	ISABELA STATE UNIVERSITY	May 26, 2023	International
Agri-Market: An E-Commerce Portal for Farmer's Agricultural Field Crop Product with Geotagging Mervin Jommel De Jesus Anbert Adoviso Kyla Crisel Dela Cruz	1st International Conference on Emerging Trends in Computing and Library Information Science	ISABELA STATE UNIVERSITY	May 26, 2023	International
BeAwareToYourAct: Behavioural Action Detection in Workplace through Deep Learning Analysis and Augmented Action Pattern Recognition Edward Humprey Isles and Dr. Francis F. Balahadia	2nd International Conference in Information and Computing Research 2022	National University	December 10-11, 2022	International
LETyouReview: Gamifying Philippines' Licensure Examination for Teachers' Reviewer Mervin Jommel T. De Jesus and Dr. Francis F. Balahadia	2nd International Conference in Information and Computing Research 2022	National University	December 10-11, 2022	International

Swinelink: An Application for Swine Health Condition Reporting and Technical Services with Agent-Based Model for African Swine Flu Outbreaks Niño Emmanuel Aldi Astoveza and Dr. Francis F. Balahadia	2nd International Conference in Information and Computing Research 2022	National University	December 10-11, 2022	International
CampusTrace: A Framework for Centralized Contact Tracing System for Universities in Preparation of Face to Face Classes Ritz Kevin Ragel and Dr. Francis F. Balahadia	2nd International Conference in Information and Computing Research 2022	National University	December 10-11, 2022	International
Educatainment: A Gamified Learning Management System for Senior High School Subjects with Randomized Algorithm Daniel Polestico and Zerah-Jane Astoveza Piolo Torotoro and Marcela Jane Taytayon	2nd International Conference in Information and Computing Research 2022	National University	December 10-11, 2022	International
Pedcon: A Pediatrician Animated Based Consultation and Appointment System using Lempel-Ziv-Wetch and K-Anonymity Algorithm Zerah-Jane Astoveza Lyka Alliah Cailles, Lherie Joy Amonelo, and Edwil Joshua Sadsad	2nd International Conference in Information and Computing Research 2022	National University	December 10-11, 2022	International
Level of Awareness and Challenges in the Implementation of ISO 9001: 2015 in Laguna State Polytechnic University - Siniloan Campus Francis F. BALAHADIA	1st International Research Conference on Science, Technology, Education and Management	IRCSTEM	September 29-30, 2021	International
Development and Implementation of Violence against Women and their Children Report System Mobile Application for the Province of Laguna Zerah Jane M. ASTOVEZA	1st International Research Conference on Science, Technology, Education and Management	IRCSTEM	September 29-30, 2021	International
Automatic Waste Segregation Bin with Gamified Application for Students Using Yolov4 Object Detection Framework Miguel Bausing, Aaron Kagayutan and Allen Jamir Miras and Francis Balahadia	Int'l Webinar on Engineering, Science and Technology 2021 The PUP Graduate School and Open University System Joint	The PUP Graduate School and Open University System	Feb. 26-28, 2021	International
Laguna Shared Service Facility (SSF) Mobile Marketing and Facility	Int'l Webinar on Engineering,	The PUP Graduate School and Open	Feb. 26-28, 2021	International

Tour with Location Mapping Psyron Agpalo, Marvin Quinto, Paul Jasper Ico and Francis Balahadia	Science and Technology 2021 The PUP Graduate School and Open University System Joint	University System		
Clinic Cognizant: Mobile Application for University Clinic Awareness Program using Augmented Reality Jhed Bench G. Basas, Jonamark V. Manzano, Francis F. Balahadia	8th ICT Research Congress International Edition	University of Makati, Philippines	December 28, 2020	International
LIGTAS: Developing Logistics Management System for Provincial Disaster Risk Reduction Management for Disaster and Relief Operation Rene H. Alipio, Francis F. Balahadia	8th ICT Research Congress International Edition	University of Makati, Philippines	December 28, 2020	International
First Aid Mobile Application for University Clinic Using Predictive String Search Algorithm Marjory Faye DANDO, Princess Karen DE GUZMAN, Evander TAMPOS, Princess Karen F. DE GUZMAN & Francis F. BALAHADIA	11th International Conference on Humanoid Nanotechnology Information Technology, Communication and Control, Environment and Manements (HNICEM) 2019	HNICEM	November 28 to December 01, 2019	International
Development of Fire Report Management Portal with Mapping of Fire Hotspot, Data Mining, and Prescriptions of Fire Prevention Activities Francis Balahadia et.al	International Symposium on Multimedia and Communication Technology	ISMAC 2019	August 19-21, 2019	International
MARKETCART: Development of Mobile Based Selling and Management System for SME's Camille Dela Torre, Margarette Dela Cruz, Francis Balahadia	International Science, Technology and Engineering Conference (ISTEC)	PUP-CHED-DOST-BISU	May 27-30, 2019	International
Lagunas's Manlalakbay: An Android Application for Tourist in Laguna Using Geo-mapping and Decision Support System and Technology Francis F. Balahadia, Marco Octia, Oliver Comia, Eris Garcia, Francis Balahadia	The 2019 International Science Technology and Engineering Conference (ISTEC)	PUP-CHED-DOST-BISU	May 27-30, 2019	International
ICTeachMUPO: An Evaluation of Information E-Learning Module	International Science, Technology, and	PUP Manila, DFA,	Panglao, Bohol May 27-30, 2019	International

System for Faculty and Students Flaviano Urera Jr., Francis F. Balahadia	Engineering Conference 2019	DOST and CHED		
Development of Faculty Profiling and Capability Enhancement Advisor System using Intelligent Predictive String Search Algorithm Mervin Jommel T. DE JESUS	IEEE 5th International Conference for Convergence in Technology 2019	IEEE	March 29-31, 2019 Pune, Maharashtra, India	International
Correlation of Space and Time of Fire Incidents in Manila leading to Fire Risk Forecasting Model Francis F. BALAHADIA	4th Biennial CAMANAVA Studies' International Conference on Quality Education for Sustainable Development	University of the East	February 8-10, 2019	International

National, Regional and Local Research Presentation

Authors/Title	Conference	Sponsoring Agency/ies	Date/Venue	Classification
Development of Monitoring System for the Center for Innovation and Emerging Technologies (CIET) Francis Balahadia Cindy C. Sagritalo Jian Greyson B. Tena	Philippine Consortium for Science, Mathematics and Technology	Ilocos Sur Polytechnic State College	April 19-21, 2023	National
Analysis and Evaluation of Violence against Women and their Children Incident Report: Data Exploration Zerah Jane Astoveza, Gelzen Jamolin and Francis Balahadia	DALTA RESEARCH CONFERENCE (DALTARC2021)	University of Perpetual Help Delta Campus	August 7-8, 2021	National
Challenges of Information Technology Education Student's in Online Classes During the Covid-19 Pandemic in Selected Government-Public Colleges and Universities in the Philippines Francis BALAHADIA	DALTA RESEARCH CONFERENCE (DALTARC2021)	University of Perpetual Help Delta Campus	August 7-8, 2021	National
Application of Data Mining Approach for Profiling Fire Incidents Reports of Bureau of	17th National Conference on Information Technology	NCITE	October 17-19, 2019	National

Fire and Protection Francis F. Balahadia	Education			
Pinuno: A Mobile-based Role-Playing game as an Educational Tool in Learning Philippines Presidents Francis BALAHADIA	17th National Conference on Information Technology Education	NCITE	October 17-19, 2019	National
Vrigo: Plane Trigonometry Virtual Reality Simulator for High School Students Francis BALAHADIA	17th National Conference on Information Technology Education	NCITE	October 17-19, 2019	National
